Planet Journey **NEW!**

40 min. program including Sky Gazing Guide

There are 8 planets in our solar system, such as Venus, Mars, Jupiter and Saturn and so on.
 Can you imagine how different their scenery is from our own planet Earth?
 We would like to take you on a Journey through our solar system.
 Have a wonderful cosmic trip !

Starry Music season 3

40 min. program including Sky Gazing Guide

Our lives have become convenient with city lights these days. At the same time, it has become very difficult to gaze at stars. Nevertheless you can still find that this world is filled with beautiful stars, scenery, and sounds. What will you experience after going through this journey? Enjoy our third original healing program.

Cosmo hoshizora sampo

40 min. program including Sky Gazing Guide

We would like to guide you through the starry night that you can gaze at on the day you visit.
 Please enjoy our live commentary.

The traces of the sun and stars in Tokyo

40 min. program including Sky gazing Guide

The starry sky above us has not changed for the thousands of years.
 We would like to introduce you to the traces of the sun and stars created by people lived in the past in Tokyo.

The adventure to Mars with Hachi-ko

40 min. (30 min. for the Kids Time) Live Commentary

Hachi-ko, the most famous dog in Shibuya, will take you to Mars! What will happen to you?
 Please enjoy your space adventure with Hachi-ko !
